ROBOTIS Headquarters & Global Network

Company	ROBOTIS Co., Ltd.
CEO	Byoung Soo (Bill) Kim
Date of Establishment	March 25, 1999
# of Employees	132
Core Business	Development and Supply of Service Robotics Solution and Platforms
Company Address	37, Magok Jungang 5-ro 1-gil Gangseo-gu, Seoul, South Korea
Official Website	www.robotis.com www.dynamixel.com

Company Introduction

Robot Solution & Platform Company Leading the Service Robot Era

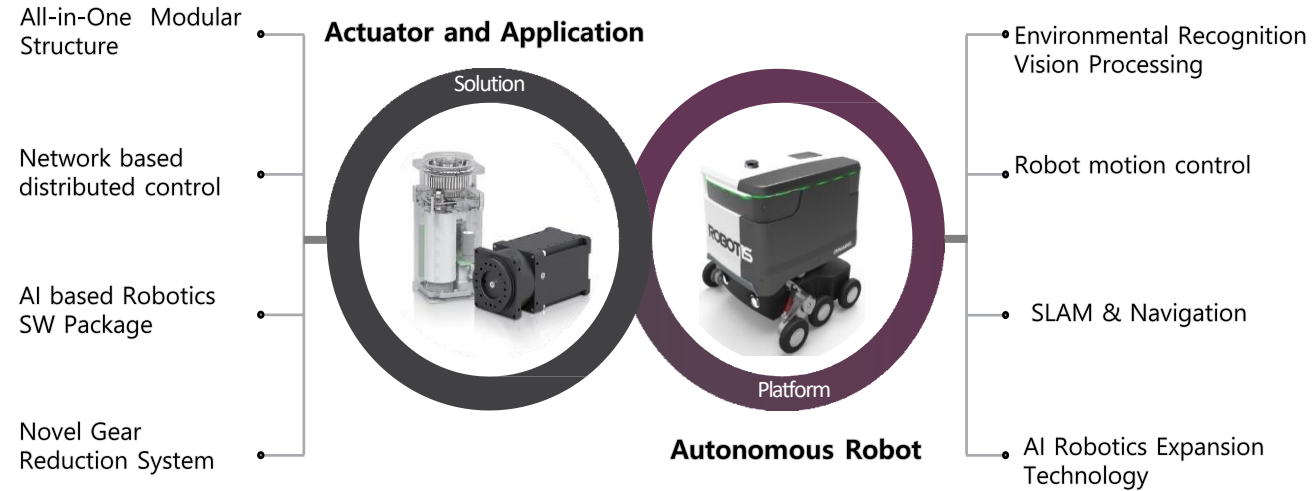

• **Company Profile**

<p>Maximizing synergy creation by placing production facilities and research centers together</p>	<p>Over 200 partners and clients in 56 different countries</p>
<p>Possessing precision processing equipment and certification test equipment</p>	<p>Reinforcing logistics capabilities with production lines including automated facilities</p>

• **ROBOTIS Worldwide**

U.S.A	26228 Enterprise Ct, Lake Forest, CA 92630
China	Room 126, 17 / F, Donghuang building, No. 16, Guangshun South Street, Chaoyang District, Beijing
Japan	101-0052 Tokyo, Chiyoda City, Kanda Ogawamachi, 2 Chome-12-14 晴花ビルディング3F

• **Business Areas**

• **History**

2020	06	Selected as a robot industry core technology development project in 2020 (Ministry of Trade, Industry and Energy)
	04	Non-face-to-face robot delivery pilot service implementation (with Vendys)
2019	12	Demonstration Approved for Industry Sandbox Regulation (Outdoor Autonomous Robot Delivery)
	11	Selected as World Class Product of Korea 2019
	10	MOU with MAXON motor
2018	12	Awarded the Export Tower Award (Korea International Trade Association)
	11	Awarded the Excellent Scientific Cultural Product at the 1st Science & Creativity Annual Conference 2018 (Korea Foundation for the Advancement of Science and Creativity)
	10	Listed on KOSDAQ (Korea Exchange)
	06	Office and R&D moved into Magok (ROBOTIS Campus)
2017	07	CTO awarded the 8th ATC Technology Innovation Award (Korea)

Introduction to ROBOTIS

DYNAMIXEL + AI

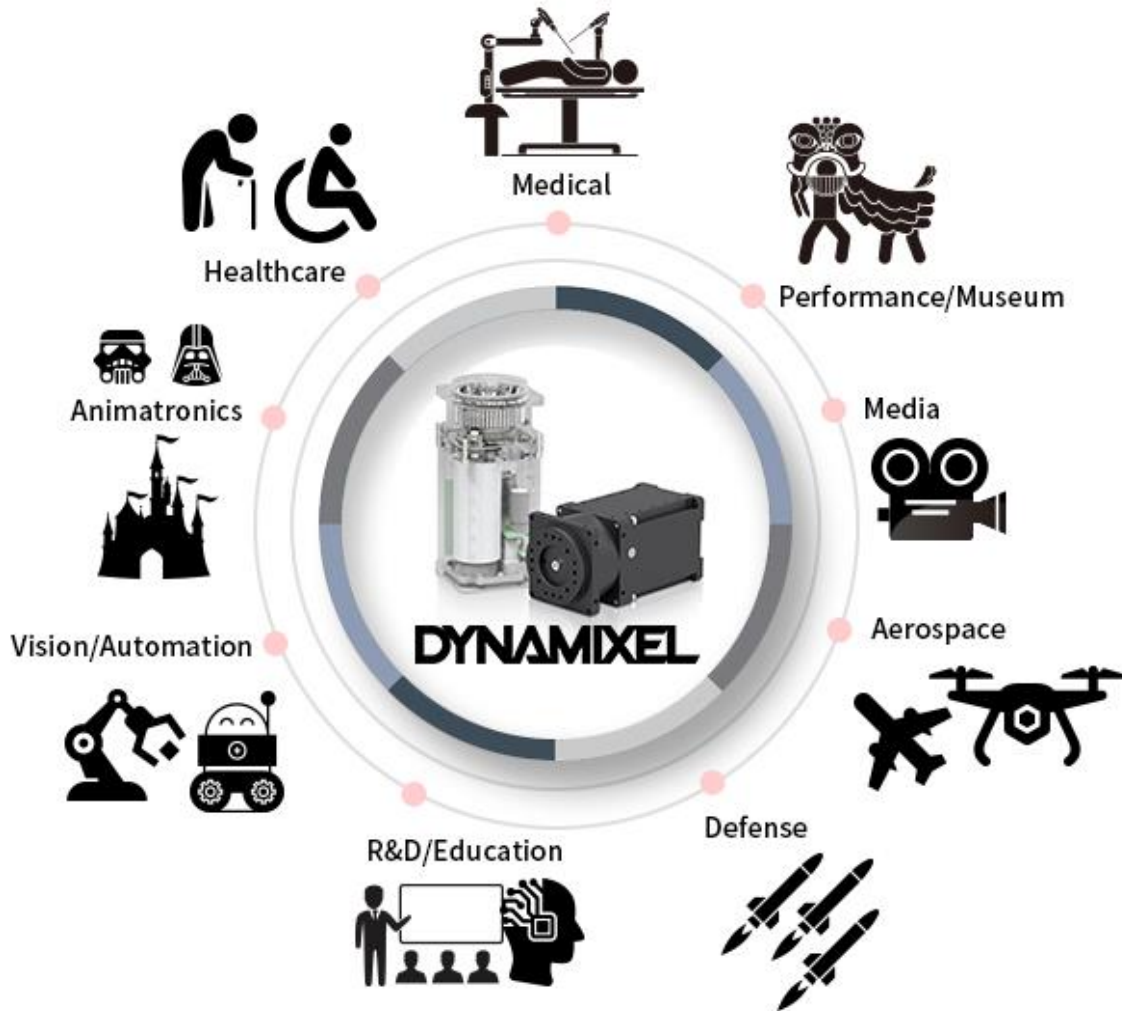

We provide solutions to the service robot developers through a robot actuator called DYNAMIXEL and software based on ROS and A.I.

ROBOTIS is a global service robot solutions provider and one of the leading manufacturers of robotic hardware. ROBOTIS is the exclusive producer of the DYNAMIXEL brand of all-in-one smart servos. We specialize in the manufacture of robotic hardware and full robot platforms for use in all fields of study and industry, as well as educational robotics kits for all ages and skill levels.

5

DYNAMIXEL Worldwide

- ROBOTIS solutions can be found in human-interactive service robots, last-mile delivery drones, medical assistant robots, search and rescue robots, and more.
- With a range of sizes, power levels, and features offered by [DYNAMIXEL](#) smart actuators, DYNAMIXELs are used in all professional and industrial fields including automation, defense, animatronics, special effects, medical, agriculture, and essentially any application with a need for precision motion components.
